

ALVEARY Grade 5 Science Kit Contents:

Balloon	Lugol's Iodine Biological Stain Solution, 30 mL
Beaker, glass, 250 mL	Measuring scoop
Benedict's Solution, 100 mL	Microscope slides
Biuret Reagent, 30 mL	Peat moss
Coffee filter	Pie plate
Cup, paper	Pipet
Cup, plastic	Safety glasses
Dried beans	Salt
Effervescent antacid tablets	Sand
Fertilizer, 10-10-10 blend, 30 g	Seeds, carrot
Film canister	Seeds, pea
Foam tray	Seeds, sweet basil
Funnel	String
Gloves	Test tube clamp
Indophenol (2,6-Dichloroindophenol), 0.5 g	Test tube holder
Lab apron	Test tubes
Lens, double convex, 150mm f/l	Thermometer, Indoor/Outdoor
Lens, double convex, 300mm f/l	Thermometer, submersible
Lens, double convex, 500mm f/l	Wooden skewer

See the curriculum for the list of easily obtained items required for the year's lessons and labs.

Additional information from Home Science Tools:

- 1. The products in this kit are intended for parent/teacher use to complete curriculum lab activities with students.*
- 2. Some items are not designed for or intended primarily for children ages 12 and under.*
- 3. Some materials and many chemicals we provide are dangerous and may be harmful if misused. With your purchase, you are assuming all responsibility for any injuries or damages resulting from the storage, use, and disposal of all materials and chemicals.*
- 4. Some products may differ from the web image (such as clay, food coloring, etc.)*
- 5. While our kits conveniently contain most of the items you'll need to complete the labs, they do not include some common household items or more expensive items like microscopes and live cultures.*

Warning

HAZARDOUS CHEMICAL: This kit contains hazardous chemicals. Not for children under the age of 15. For use under adult supervision. Read warning labels carefully.

CHOKING HAZARD: Balloons. Children under 8 years can choke or suffocate on underinflated or broken balloons. Adult supervision required. Keep uninflated balloons from children. Discard broken balloons at once.

CHOKING HAZARD: Small parts. Not for children under 3 years. Adult supervision required.
