

**Sight Words:** are  
good  
now

**Parent tip:** Your child may need to see sight words such as *are*, *good*, and *now* several times before they are learned. Repetition is the key to sight word acquisition.

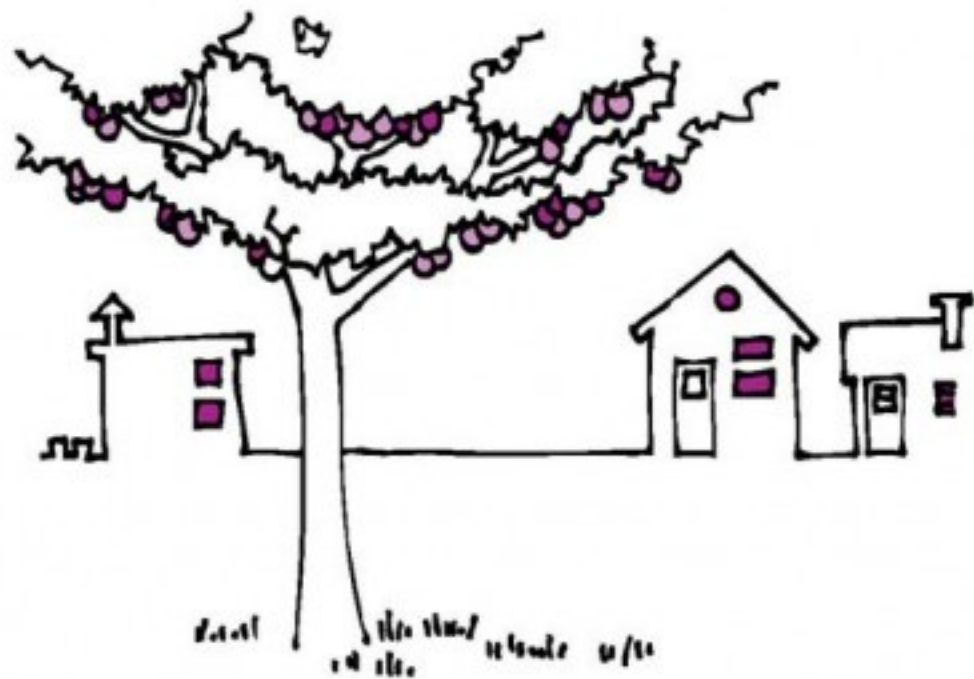

# Plums

Plums are in a tree.

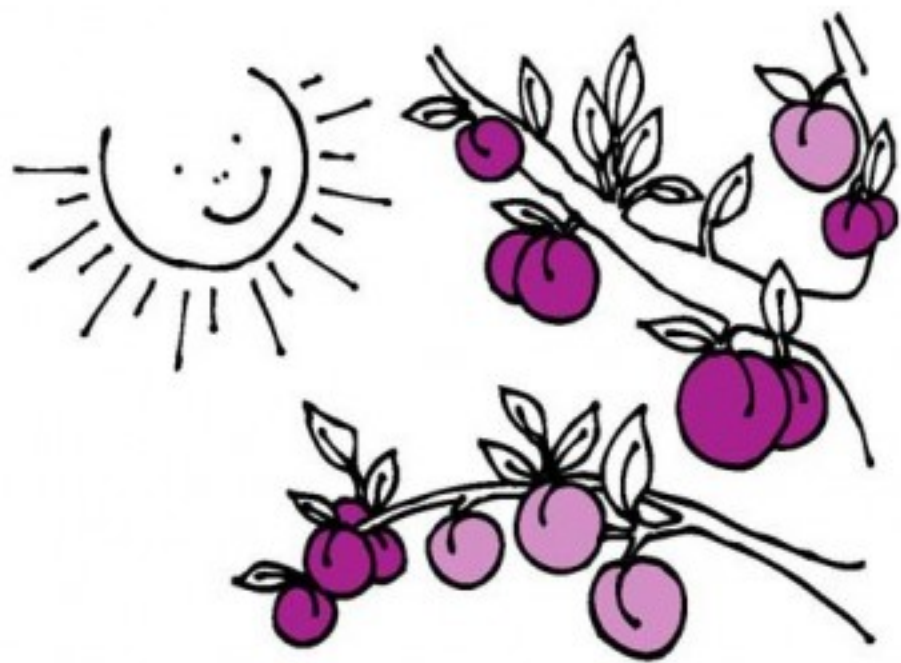

Mat and Sam get the plums.

Are the plums good now?

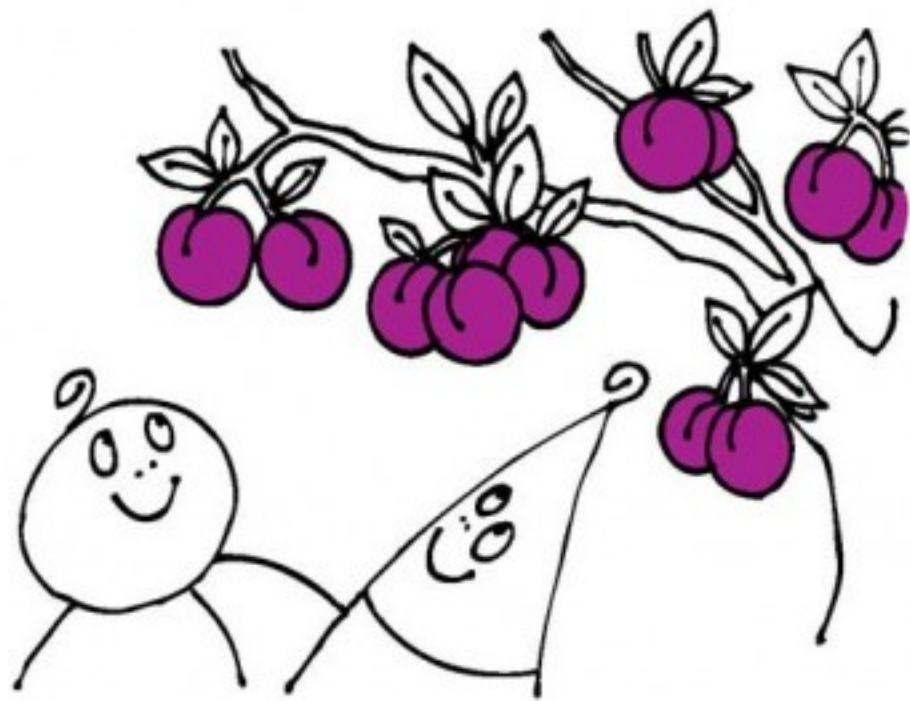

The plums are hard. The plums  
are not good.

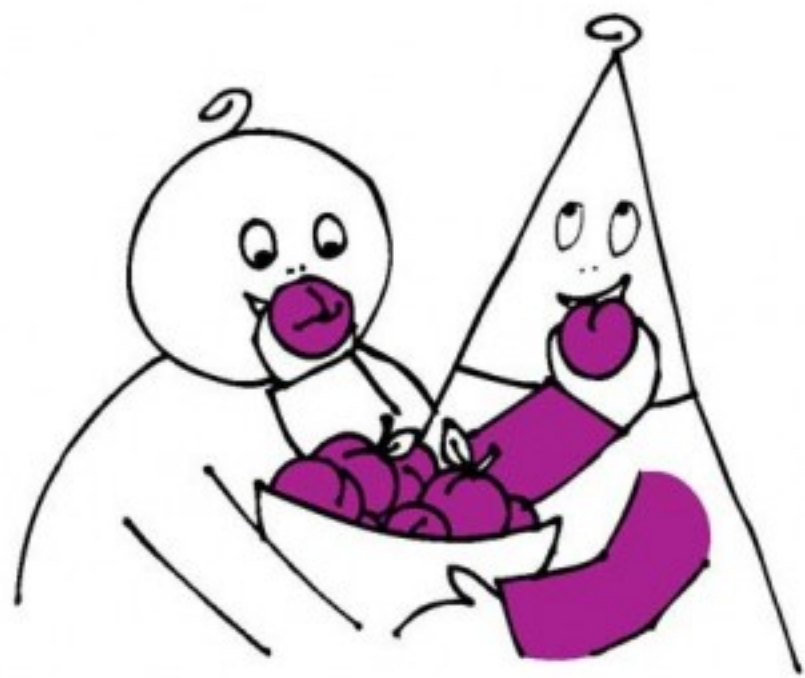

Sun is good for plums.

Rain is good for plums.

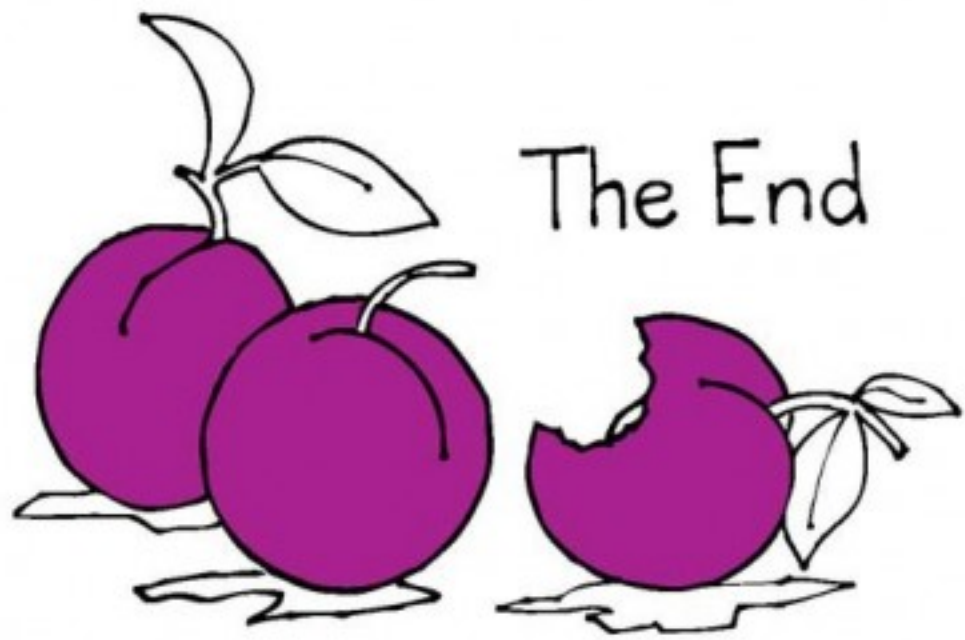

Are the plums good now?

Now the plums are good!

The plums are soft.

The End
