“Wait! Can you still hear it?” said Dad.

“It did stop!” Grant said.

“You and I need to keep still,” Dad said to Grant.

“I see it!” said Grant. “I see a toad on a leaf!”

“Neat! It has a boat!” Dad said. “The green toad floats on a leaf.”

“Dad, creep up to the leaf,” Grant said. “Get the toad!” Can Dad lift the net and get the toad? Yes, Dad can. But, Dad did trip and fell in the pond! Dad got wet!
